I am aware that there are risks, hazards and inherent dangers associated with “Equine Activities” both on the ground and riding, and understand that injuries resulting from these risks are a common occurrence. I am aware that the risks of Equine Activities may include but are not limited too: A.) the propensity of any equine to behave in ways that may result in injury, harm or death to persons on or around them and to potentially collide with, bite or kick other animals, people or objects.

B.) the unpredictability of an equine’s reaction to such things as sounds, sudden movement, tremors, vibrations, unfamiliar objects, persons, or other animals and hazards. C.) the potential for other participants to behave in a negligent manner that may contribute to the injury of themselves or others, including failing to act within their abilities to maintain control over an equine.

I freely accept and fully assume all responsibility for all Risks and possibilities of any and all personal injury, death or property damage or loss resulting from my participation in the equine activities at Spirit Gate Farm.

I agree that although Michelle Atterby and her staff of Spirit Gate Farm have taken all steps to reduce the ‘Risks’ and increase the safety of the Equine Activities, it is not possible to make the Equine Activities completely safe. I accept these risks and agree to the terms of this waiver on behalf of my child participating.

I am liable for and hold harmless Michelle Atterby and her staff from all actions, proceedings, claims, damages, costs, demands and liabilities of whatsoever nature of kind arising out of or in any way connected with my participation at Spirit Gate Farm. I hereby irrevocably submit to the exclusive jurisdiction of the court of the Province of BC and no other court can exercise the jurisdiction over the terms and claims referred to herein.

I hereby declare that I have read and fully understand and agree to the terms and conditions stated heron and that it is binding upon my executors, heirs and assigns.
